Dear Parents/Guardians,

These past few weeks have been unlike any we have faced before. As we navigate through some unknown territories, your families' health and safety is of the utmost importance to all staff at Sherman Indian High School.

We are currently working in coordination with the City of Riverside, State of California and Bureau of Indian Education. As we move forward, we are working to ensure your child's education and future at Sherman is addressed with care.

Grades/Credits

We are currently working towards finalizing plans for this academic year. Grades and credits will be posted in NASIS and the essential information will be mailed to the address we have on file. In addition, an unofficial transcript will be mailed to all students so that you will be apprised of your child's progress.

Seniors

The Senior Class Sponsors have been working diligently with our Jostens representative. Jostens has indicated that graduation items will be delivered to Sherman. As long as the balance is paid in full, these items will be mailed to you. In addition, Jostens has stated that no refunds will be given for items that were ordered.

Student Belongings/Mail

All student mail and belongings have been sent home and will continue to be sent to the addresses contained within NASIS (student portal) on a weekly basis.

Enrollment Application for School Year 2020-2021
